

California Waterfowl and Lindsay Wildlife Museum Present: A Wild About Wetlands Teacher Workshop

FREE teacher resource materials
correlated to California state
content standards!

Teach your students about wetlands and wildlife using a Wild About Wetlands kit.

- Each kit includes all materials necessary for completing lessons on wetlands, wetland wildlife, and wetland conservation and restoration, complete with instructions, overheads and copy-cat pages
- Targets grades 4-6, with easily adaptable activities for older and younger grades
- Correlated to state content standards for science, math, and language arts
- Kits available for loan - absolutely FREE - over 50 kits placed in Northern California

Learn how to utilize these kits:

When: Wednesday, October 21st,
3:30 - 6:00 pm

Where: To Be Announced
