

**Turk Station  
and  
California Waterfowl Assn.  
Youth Camp**

**June 17, 2008 - June 21, 2008**

Boys and girls ages 10-15 will learn about hunter safety and preserving wildlife habitat. Beginner campers will complete the California Department of Fish and Game Hunter Safety Program, along with the opportunity to learn basic shooting skills with .22 rifles and shotguns, participate in wildlife identification hikes, learn about wildlife habitat management, go fishing and much more. Hunters who already have their hunter safety certificate will participate in advanced programs during the hunter safety portion of this camp.

Each night will be spent camping underneath the stars.

**\$250 Per Camper**

(Limited number of Sponsorships available  
for low-income families)

**(Camping and meals included)**
