# CAMP OVERVIEW

The California Waterfowl Association's camps introduce juniors to the sport and traditions of waterfowling. Juniors learn from experts in the field with a safe, positive and supportive environment.

At camp, juniors will learn about or hone their skills with shotguns, waterfowl identification, gear, decoys and lots more. Juniors will receive hunter education instruction and complete the test for earning their hunter education certificate.

## ABOUT CWA

The California Waterfowl Association (CWA) is a nonprofit organization, whose mission is to conserve the state's waterfowl, wetlands, and hunting heritage. Over 20,000 members support the association's conservation and outdoor heritage programs.

### Waterfowl Resource Programs

CWA focuses its conservation efforts on four species of waterfowl. The mallard, pintail, wood duck, and goose programs cover much of the spectrum of wetlands and uplands located in California and the Pacific Flyway. These programs benefit more than 200 wildlife species. Each one poses unique challenges in habitat conservation, government action, education, and population enhancement.

### Outdoor Heritage Programs

CWA's heritage programs are designed to motivate people of all ages to get outdoors. Many of CWA's projects focus on the youth of today and help ensure abundant waterfowl and wetlands for tomorrow. CWA political activities increase outdoor recreation opportunities and protect our outdoor traditions for the next generation of waterfowl stewards. The association represents waterfowlers in a collective voice that is heard in the state capital and in our nation's capital.

## A Message from George

As a child growing up in Connecticut, my dad introduced me to hunting and fishing. My greatest childhood memories are spending time in the outdoors with my dad, mom and brother. I currently love shooting trap, skeet, and sporting clays around the central valley of California. I have hunted ducks, geese, grouse, turkeys, pheasants, quail, dove, and deer from Canada to California and Connecticut.

My goal is to provide a camp setting with responsible and knowledgeable instructors to educate as many interested youngsters as we can. Thank you for allowing your child to attend the camp. It is truly a great honor for me to share this wonderful sport and heritage with them.
