

Thank you for registering for California Waterfowl's Weekend Waterfowl Camp. We are really excited about your child spending the weekend with us.

In preparation for the camp, please fill out all of the required participation forms. These will need to be signed and brought to camp with you. Please also bring the last 4 digits of your campers social security number with you. DFG scantron requires this information.

Also, please download the camper handbook, which explains all the details of when to show up, what to bring, driving directions, etc. If you have any additional questions, feel free to call (916-275-0961) or e-mail me at [george\\_oberstadt@calwaterfowl.org](mailto:george_oberstadt@calwaterfowl.org)

The hunter safety material is available online and needs to be reviewed ahead of time. Here are the instructions:

- Go to [www.hunter-ed.com/ca](http://www.hunter-ed.com/ca)
- Click on "Study at home with the online course"
- Click on "Begin the online CA hunter safety course" or "Get started now".
- All of the book material is there along with some practice questions. **I would like for you to review Chapters 1, 2, 3 and 6 as well as do practice exercises for these chapters.** This will make things go faster and will free up time for other more exciting activities.
- I will provide Hunter Education booklets when you arrive at camp. If you go ahead and finish all the course material, DO NOT PAY THE \$15 to complete the online course.

Thank you, again, for registering, and I look forward to seeing you at camp!
