

Thank you for registering for California Waterfowl's Women's Pheasant Hunt Weekend Birds Landing Hunting Preserve. We are really excited about you spending the weekend with us.

In preparation for the camp:

1. Please download and fill out the required participation forms. These will need to be signed and brought to camp with you. Please also bring the last 4 digits of your social security number with you. DFG scantron requires this information.
2. Please download the camper handbook, which explains all the details of when to show up, what to bring, driving directions, etc. If you have any additional questions, feel free to call (916-275-0961) or e-mail me at george_oberstadt@calwaterfowl.org
3. **The online hunter safety material needs to be completed ahead of time. You should plan for 6-8 hours self-study at home to finish the material and it will cost \$15.**

Here are the instructions:

- Go to www.hunter-ed.com/ca.
- Click on "Study at home with the online course"
- Click on "Begin the online CA hunter safety course" or "Get started now".
- You will need to pay the \$15 charge and bring the printed certificate of completion with you on September 26th.

Fyi, There is another online option that charges \$25 if you prefer. The website is www.hunterexam.com/usa/california. You can explore either website without paying the fees. Either certificate of completion will be accepted.

Thank you, again, for registering, and I look forward to seeing you at camp!
