

2010-11 HUNT PROGRAM SNEAK PREVIEW: DOVE HUNTS!

SWEET RANCH – DOVE HUNT - Enjoy a dove shoot away from the crowd of public lands hunters. Join Robert Eddings, CWA Regional Biologist, for a fast and furious dove shoot on private land. This 200-acre ranch located near Zamora, CA lies adjacent to hundreds of acres of cereal grain, vineyards, and orchards. The hunt will take place over a small safflower food plot near the edge of an almond orchard and meandering creek. The area traditionally holds large numbers of doves.

Successful applicant may bring one additional hunter.

September 1 – Opening Morning - Capacity two hunters

September 5 – Morning or Afternoon - Capacity two hunters

Application Deadline August 20th

BLUEBIRD FARMS – DOVE HUNT - Hunt over a small safflower food plot near a flooded swale or along a creek bottom under a shade tree. This property is located just south of Marysville and Oliverhurst and east of Hwy 99 off Plumas Arboga Rd. On a recent site visit to the property (7-22-10), several hundred doves were roosting in the trees and using the freshly irrigated wetland as a watering hole. Hunt with Jake Messerli, California Waterfowl's Vice President of Conservation Programs on a mutually agreeable date in the morning or evening at least three days after the opener.

Successful applicant may bring one additional hunter.

Dates TBD (September) - Capacity two hunters
