Guide to Quarantine

Gear Checklist

 **Firearms**

- Clean thoroughly
- Oil moving pieces
- Learn to dismantle and reassemble
- Reload ammo cartridges (or learn how)

 **Archery**

- Wax bowstrings
- Sharpen broadheads
- Lift weights to increase your draw weight capability
- Check arrows for flaws - decommission bent ones, replace fletchings and nocks

 **Angling**

- Restring reels
- Sharpen filet knives
- Prepare and pack equipment for upcoming fishing season
- Clean out and organize fishing equipment (you know it's all just thrown in your tackle box – and it probably smells!)

 **General**

- Check waders for holes
- Prepare and pack equipment for turkey season
- Clean, organize, and properly store equipment for next season
- Set aside the things you don't use anymore and mark them for sale or donate to a new hunter/angler/target shooter
